

## SBMA CHAIRMAN AND ADMINISTRATOR ROBERTO GARCIA VISITS TAIWAN

SBMA Chairman and Administrator Roberto V. Garcia visited Taiwan to attend the Special Meeting of the Board of Directors of SBDMC, Inc. as well as to meet investors that have shown interest in locating in Subic Bay Freeport Zone. Accompanying him in the trip are the new SBDMC Directors—Mr. Joven Reyes, Mr. Ramon Sedsoyro and Engr. Alfonso Siapno—and SBDMC's Corporate Secretary, Atty. Michael Angelo Villamor.

The group was welcomed by SBDMC Chairman Theodore Huang. They were also met by Ambassador Antonio I. Basilio, Vice Chairman and Resident Representative of the Manila Economic and Cultural Office (MECO).

Executives of Taiwan Cogeneration Corporation and Tong Lung Metal Industry Co., Ltd. likewise took the opportunity to meet Chairman Garcia.

The group had discussions with three investors referred by MECO: Catcher Technology Co., Ltd., Sunny Rich Power Co., Ltd. and

Chenfull International Co., Ltd./Chenfull Water Resource Corp.

Catcher Technology Co., Ltd. is a listed company in Taiwan stock exchange. They are planning to lease a 50-hectare to 100-hectare factory to manufacture metal casing. The company aims to sell 100% of its products to USA and China.

On the other hand, Sunny Rich Power Co., Ltd. is planning to set up a solar power plant in the Philippines. If the plan pushes through, construction might begin this year and is targeted to be completed within 10 years.

Chenfull International Co., Ltd./Chenfull Water Resource Corp. would like to explore investments in water treatment facilities for tannery companies locating in the Philippines. Its Chairman, Mr. Charlie Hsu, plans to work with the Taiwan Footwear Manufacturer's Association to facilitate relocation of Taiwan owned tanneries from China to the Philippines.

## Subic Freeport to expand to Hermosa

**SUBIC BAY FREEPORT** – The Subic Bay Metropolitan Authority (SBMA) and the local government of Hermosa, Bataan, are firming up plans to include some lands in Hermosa as an extension of the free port under Executive Order 675.

In a meeting at the town hall with a group of SBMA directors, Hermosa mayor Danilo Malana informed the group that the Sangguniang Panlalawigan had already passed a resolution in January this year, "concurring and adopting Executive Order 675 which authorizes certain contiguous areas in Hermosa to be declared as additional secured areas under the Subic Bay Special Economic and Freeport Zone as defined under Proclamation No. 532 dated February 1, 1995."

SBMA directors Bienvenido Benitez, Philip Camara, John Philip Chua Chiaco and Ramon Diez Sedorio welcomed the news as a positive development toward the envisioned expansion of the free port and the creation of more jobs in these expansion areas.

Malana, together with Hermosa vice mayor Christopher Vitug and other members of the Sanggunian, expressed keen interest in initially developing some 200 hectares of generally flat land in Sitio Mabiga, Barangay Tipo in Hermosa, as an extension of the free port. He also identified some nearby areas that would be suitable for eco-tourism.

Located in the western part of Hermosa, Mabiga is approximately a 10-minute drive from Subic Freeport and about 25 minutes from Clark. "We will need an exit from SCTEX (Subic-Clark-Tarlac Expressway) to Hermosa," Malana said, noting that this would facilitate the movement of goods and people to and from the area, and also benefit Olongapo City.

"This kind of shared development will redound to the mutual benefit of the SBMA and the town of Hermosa. It will not only address the SBMA's need

for more developable areas but also open up employment opportunities for the people," said SBMA director Benitez who chairs the SBMA board's "Project Unity".

Project Unity is a series of one-on-one meetings initiated by the SBMA board of directors with the local boards of the six LGUs adjacent to the free port; namely, the provinces of Zambales and Bataan, the towns of Subic, Hermosa, Morong and the city of Olongapo.

Among others, the project aims to create synergy in development and commercial projects that have large multiplier effects on local economies, and pool scarce resources towards better and more efficient project development and implementation.

Benitez also invited the local executives to an open-space technology integrative workshop that the SBMA would hold with other neighboring local government units sometime in November.

According to director Camara, vice chair of the SBMA board project, the workshop will allow both the SBMA and the LGUs to synthesize everyone's inputs to forge a common vision for the development of areas surrounding the free port. "Through this process, we will all get to identify points of synergy for initiatives that point toward a common aspiration and vision for the next five years, and use them as our basis for future planning and development," he added.

Former SBMA administrator Armand Arreza described Hermosa as "an ideal expansion site for Subic Freeport" when he met with Malana in December last year to brief him about EO 675.

The executive order was issued in November 2007, to allow the extension of the secured area of the Subic Bay Special Economic and Freeport Zone (SSEFPZ) to areas within the SSEFPZ but outside the presently fenced-in former US Naval Base. (30)

## SBDMC Upgrades Website, Creates Interactive Map

**SBDMC Website**

**SBDMC Interactive Map**

SBDMC announced that it has redesigned its company website ([www.sbdmc.com](http://www.sbdmc.com)). The website was upgraded to be more content-rich, more appealing and more user-friendly. It is aimed to provide pertinent information to potential investors and other interested parties while also serving as venue to regularly update existing locators on relevant matters. "We invite everyone to view our new website," said SBDMC President Jeff Lin. "In particular, this is a very important way of communicating with our locators as news and announcements will be posted on the site for easy access. On the next phase of the project, communication between SBDMC and locators will be further enhanced with the setting up of individual accounts for the locators."

An interactive-map, known as SBDMC's I-Map, was also created to complement the website. It can be found in the Why Us page of the website. "The I-Map will allow users to easily check out the available lands in SBGP as well as leasing information. Those who want to go to Subic for the first time can also use the route navigation feature," said Lin. The I-Map also serves to introduce the SBGP locators as a mini-webpage displaying basic information will be allocated for each locator.

## Core Value to Corporate Citizenship

By Ms. Laila Florencio

*SBDMC staff, participants from different companies at SBGP and facilitators from EFI.  
Front row (l-r): Mr. Edgar Layco, Head Training Development, SBMA HRMD; Ms. Brigitte "Gigi" Lazaro-El; Ms. Juliet Tan, OIC,  
SBDMC's Investment Services Department; Ar. Roland Addun, SBDMC's COO and Mr. Paul Magno of EFI.*

How do we really embrace the value of ourselves? Many of us really don't see that when we do not push our confidence and strive to be the best that we can, we are losing a lot of opportunities and tend to delay greater efforts that could bring success in our endeavors.

When we understand our inner core we learn to value ourselves. Accepting things around us with optimism and positive disposition create constructive outlook in our lives and produce better results.

Last October 5, 2011, SBDMC in cooperation with Evangelion Foundation, Inc. (EFI), conducted a whole day free training workshop activity entitled "Finding the Core Value". Evangelion Foundation, Inc. is a non-stock, non-profit organization that has been conducting high-impact and spirit-driven value formation seminars to private companies, government offices, including Subic Bay Metropolitan Authority, and other professional organizations. They aim to shape the lives of individuals in the workplace by inspiring them to discover meaning in their personal lives, relationships and occupations through its specialty-designed Core Value modules.

Participated by various Subic Bay Gateway Park (SBGP) locators' employees, the training workshop was able to attain its objective to deepen personal awareness and appreciation of oneself and others and to discover innate ability to make empowered decisions anchored on truth and understanding, leading to conscious and renewed relationship with the Supreme Being as the Core Value. Among the companies that sent representatives are Anglo Asia Commodities Corp., Autowide Int'l (Subic) Corp.,

Biddeford Subic Corporation, HFS Office Product Co. Ltd., Inc., KWT Computer Systems Inc., MSK Group Work Incorporated, Taimain Subic International Corporation, VAPCO International Corporation, Wistron InfoComm (Philippines) Corporation, Yi Phone Subic Bay Corporation, PacTec Subic Bay Inc., Subic Energy Bio-Tech Corporation, Taian (Subic) Electric, Inc. and Tailin Abrasives Corporation.

The participants provided positive feedback sharing that the training workshop was a great learning experience. They said it showed them that God is the center of the core value and taught them to be more appreciative of everything they have and to value relationship with others.

This undertaking with EFI aimed to boost the skills of Human Resource practitioners, trainers and or facilitators of each company to be potential facilitators that could lead to attainment of better productivity by our locators' manpower resources.

The other Values Formation Training Programs of EFI are the Living the Core Value (LCV), Living the Corporate Core Value, Quantifying the Corporate Core Value and Becoming a High-Performing Team. We believe it will provide better impact if everything will be attained since these could provide harmonious relationships through integration of inner values and corporate values at work.

It is indeed gratifying to initially partake this kind of endeavor in bridging individual nourishment and enlightenment that could lead to better Corporate Citizenship.

## WISTRON INFOCOMM ENTRY WINS FIRST SBGP LANTERN COMPETITION

SBDMC held its first SBGP Lantern Competition with the theme "Kapaskuhan sa Subic Bay Gateway Park" (Christmas in Subic Bay Gateway Park). The competition was opened to all SBGP locators. Materials used were from recycled materials of locators' products. The lanterns were displayed at the SBGP Ampitheater.

"The competition sought to tap the skills, talents and creativeness of each organization in producing united ideas to reflect the spirit of Christmas," said SBDMC President Jeff Lin. He added that the entries exceeded expectations and highlighted the creativity of the participants.

A total of seven entries representing five SBGP locators joined the competition—GrainPro Phils Inc., MSK Group Work Incorporated, Sanyo Denki Philippines, Inc., Taiwan Valiant Mfg. Inc. and Wistron Infocomm (Philippines) Corporation. Wistron submitted three entries.

Judges for the initial judging, held on December 2, 2011, were Atty. Joy Alvarado, Head of SBMA's Regulatory Group, Ar. Francisco M. de Guzman, Division Chief of SBMA's Project Development Office and Mr. Julious Macam, Marketing Supervisor of SBMA's Tourism Department.

The initial judging also coincided with the lighting of the Christmas tree in the rotunda to welcome the Christmas season.

The final judging was done by Ms. Elenita Ordonio, OIC-Provincial Director of Department of Trade and Industry (DTI) Olongapo, Ar. Francisco M. de Guzman, Mr. Julious Macam and Mr. Roland Manalang from Ford Subic.

The winning entry was the lantern created by Wistron 1. The judges particularly rated this entry highly in the "Relation to the Theme" category.

The winning team received the grand prize of Php15,000. Wistron 3's and Grainpro's entries bagged the 2nd prize and 3rd prize, respectively. Wistron 3 received Php10,000 and Grainpro received Php5,000. Wistron 2 (Angry Birds) was given a special award as the "Most Popular Entry."

"We are happy that the locators have joined this competition. It is our plan to make this an annual competition and we look forward to having more SBGP locators participate next year," Lin said.

### SBDMC and SBGP Locators Conduct Book Drive

SBDMC has been regularly teaming up with the SBGP locators for its annual outreach program in line with the company's commitment to give back to the local community. This year, SBDMC and SBGP locators coordinated with the Department of Education (DepEd) Olongapo and conducted a Book Drive for the benefit of selected public elementary schools in Olongapo City.

The successful Book Drive allowed SBDMC to donate textbooks and workbooks to five public elementary schools—Olongapo City Elementary School (OCES), Nellie E. Brown Elementary School, Old Cabalan Elementary School, Sta. Rita Elementary School and Tapinac Elementary School.

"We are aware of the limited resources of public schools; this is the reason SBDMC, in cooperation with SBGP locators, decided to donate badly needed books," SBDMC President Jeff Lin said.

"This year's donation will not just be for one-time use but will benefit countless school children for years to come. It will be a big help to the children and to the teachers alike," Lin added.

SBGP locators that enthusiastically and generously supported the Book Drive are Anglo Asia Commodities Corp., Biddetford Subic Corporation, Cano Subic Corporation/Tapu Corporation, Child Care & Enrichment Center Pre-Elementary School, Chung Li Motor Company, Cresc Incorporated, Coin Chemical Subic Inc., Freeport SKC, Inc., GrainPro Phils, Inc., Hokei Subic Corporation, Jadelink Subic Inc., Limech Manufacturing and Trading Corp., Kaneou Global Environmental Phils. Inc., Maxclean Phils, Inc., Medtects International Corporation Limited, Microkinetics Inc., Misung Subic Inc., MMH Int'l Glints Inc./M. Waseem Int'l Corp., MSK Group Work Incorporated, Nakano Tonyeh International Inc., Network Economic Service Ventures Philippines Inc., Mr. Louis Kuo/Subic Technics, Inc., Shengkai Corporation, Subic Matrix Concrete Corp., Subictrak International, Inc., Sultan Ahmed Lootah Enterprises Corporation, Suntech Pacific Logistics Corp., Taian (Subic) Electric, Inc.,

TaijimaInternational Ventures Corp., Tailin Abrasives Corporation, Taimein Subic International Corporation, Taiwan Valiant Manufacturing Inc., TECO (Philippines) 3C & Appliances, Inc., Tong Lung (Phil.) Metal Industry Co., Inc., Universal Phils. Corporation, Vehicle Inspection & Testing Corporation, Wistron InfoComm (Philippines) Corporation, Westcoast Automotive Corp. and Wooju Inc.

"We are very grateful to our locators that joined us in this worthy endeavor. We would like to extend our heartfelt appreciation to them for their unwavering and generous support of our outreach programs throughout the years. The Book Drive would not have succeeded without their full cooperation. They are truly our partners in investing in the children and ultimately in the future," Lin said.

Ar. Roland Addun, SBDMC's COO, Ms. Juliet Tan, OIC for SBDMC's Investment Services Department, Mr. Simon Tsai, Subic Bay Taiwan Chamber of Commerce's President, locators' representatives and SBDMC's employees handed over the books in a simple ceremony on December 19, 2011 at OCES. SBDMC President Jeff Lin was represented by his wife, Mrs. Grace Lin.

The locators' representatives were Ms. Cristina Macaspac & Mr. Edwin Bueno for Ford Subic (Westcoast), Mr. Jaypee Abes & Mr. Ryan Manikad for KWT/Tailin, Mr. Joel M. Perez & Mr. Cesar V. Hitalla for Medtects, Ms. Mariane O. Odal for Misung, Ms. Arlene Joy Nicdao for Shengfu, Mr. Hector Ochava for TECO 3C, Ms. Ma. Teresa V. Esteban, Ms. Evelyn Binauhan, Mr. Dandy M. Millama & Mr. Nelson S. De Mesa for Wistron and Ms. Hershey Bernales & Ms. Mary Ann Reyes for Wooju.

OCES prepared a short program prior to the handing over ceremony. Ms. Bernadette F. Tamayo, Assistant Schools Division Superintendent, then read the message of Schools Division Superintendent Dr. Ligaya Monato before the schools' representatives were called on stage and presented with the books.

The total amount collected from SBGP locators reached Pph149,252.05.

## Acknowledgement from Dr. Ligaya B. Monato, Schools Division Superintendent Division of City Schools, Olongapo City

*"To read is to fly: it is to soar to a point of vantage which gives a view over wide terrains of history, human variety, ideas, shared experience and the fruits of many inquiries." So true! Reading is really like taking a flight to great heights in pursuit of information and knowledge. It is a journey towards enlightenment.*

*This is the statement of Prof. A.C. Grayling, in a review of 'A History of Reading' by Alberto Manguel, who wrote the book in 1995.*

*Reading indeed, is fundamental to function in today's society. It is how we discover new things. Books, magazines and even the Internet are great learning tools which require the ability to read and understand what is read. A person who knows how to read can educate themselves in any area of life they are interested in. We live in an age where we overflow with information, but reading is the main way to take advantage of it. In line with the above, reading develops the creative side of people and these are just some of the reasons why we advocate for literacy as our primary goal in teaching our youth. In line with these objectives, we are glad that SBDMC share with us in this mission.*

*On behalf of the school administrators and teachers of the recipient schools: Nellie E. Brown Elementary School, Sta. Rita Elementary School, Olongapo City Elementary School, Tapinac Elementary School, and Old Cabalan Elementary School, and their respective school heads, I would like to express our deepest thanks for your recent donation of books to their Extensive Reading Centers which will greatly benefit our school children. Generous gifts from donors like you provide the financial and moral support needed to continue our mission of fostering lifelong learning among our pupils.*

*We want you to know that this gesture of generosity really means a lot to us and surely will make a great difference in the lives of countless children in our division.*

*Words are not enough to fully express our gratitude for your involvement to our cause of providing quality education to our stakeholders, but we want you to know how much we appreciate the deep commitment which you have demonstrated.*

*We, in the Division of Olongapo are continually inspired by the dedication and generosity of donors like you who always ready to render assistance and answer the call to give again and again to our public elementary schools sector.*

*Thank you again for your compassionate support. We hope that you will continue to partner with us in our advocacy to develop genuine love for reading among our children- for them to become highly endowed with talents and hence, make them globally competitive in today's knowledge-based, technology-driven society. We look forward to a continuing partnership with you in providing meaningful learning opportunities for them.*

*Mabuhay and more power to SBDMC!*

## 12 WHAT'S NEW

Mr. Simon Tsai, President of the Subic Bay Taiwan Chamber of Commerce, leads guests in the ceremonial ribbon cutting to open a new business center located near the Rizal gate of Subic Freeport. Tsai is also the President and CEO of Shengkai Corp. The Grand Hoyah Hotel is now open for business. The 4-storey, 40-room boutique hotel is located in Manila Avenue corner Canal Road, Central Business District, Subic Bay Freeport Zone

## RED CROSS MILLION VOLUNTEER RUN

The Olongapo City Chapter of the Philippine Red Cross held the Red Cross Million Volunteer Run on December 4, 2011 to highlight the celebration of the International Year of Volunteers this year, as declared by the United Nations (UN). The nationwide run was held simultaneously in key cities and municipalities in the country to draw attention to the importance of volunteerism and disaster-preparedness management.

SBDMC supported the event which is aimed to fund the training of Red Cross' 143 volunteers (1 leader + 43 members in every barangay). These volunteers represent the country's walking blood bank and will be the first to prepare, first to know, first to report, first to respond and first to provide relief, recovery and rehabilitation in the event of any disaster that will strike the Philippines.

SM Supermarket opened its branch in SM City Olongapo on December 15, 2011

# 14 SBDMC CHRISTMAS PARTY

## SBDMC holds Christmas Party

SBDMC held its Christmas party with the theme "Showtime" in the SBGP Amphitheater on December 16, 2011 with music provided by Overload Band. Before the employees' party, a separate party for the employees' children was held. Atty. Gina Orozco volunteered to be the overall coordinator for the party and was assisted by Ms. Jahzeel Rivera and Ms. Felicia Lin, daughter of SBDMC President Jeff Lin. The children excitedly participated in the games before sharing the delicious food especially prepared for them. Each child also received a loot bag.

Mr. Simon Tsai of Shengkai Corporation, Mr. Sammy Chou of Limech Manufacturing and Trading Corp., Mr. Louis Kuo of Subic Technics, Inc., Mr. Michael Su and Mr. Kelly Uy of MSK Group Work Incorporated, Mr. Andy Liu of Universal Phils. Corporation with his wife, and Mr. Rowie Gutierrez of Philand Security Agency, Inc. joined the employees' Christmas party hosted by Mr. Jonathan Ong and Ms. Laila Florencio.

The Christmas party started with the presentation of the awards. Administrative Department bagged the grand prize for the Inter-Department Christmas Decor Contest, which required use of recyclable and reusable office materials, with Engineering Department and Investment Services Department coming in second place and third place, respectively. Judges included Ar. Francisco M. de Guzman of SBMA's Project Development Office, Mr. Pyke Torres of SBMA's Law Enforcement Department and Mr. Eduardo Encio of Chinatrust (Philippines) Commercial Bank Corporation. The highlight of the night followed with the presentation of the Best Department and Outstanding Employee Awards for the second semester of 2011. Administrative Department, led by Ms. Leilani Balatico, was voted the Best Department for two semesters in a row while Engr. Allan Mendoza, who was named Outstanding Employee for the second semester of 2010, was once again selected as Outstanding Employee. Ms. Elvira Mullis was also recognized for her 15 years of dedicated service to SBDMC.

Next was the awarding of the winners of the first SBGP Lantern Competition. Wistron 1 claimed the grand prize.

Once again, the employees showcased their talents impressing both the judges and guests with their dance moves as they battle in the Departmental Dance Competition. Engineering Department earned the judges' nod and walked away with the top prize. The Board of Judges was composed of Mr. Kelly Uy of MSK, Mrs. Grace Lin, wife of SBDMC President Jeff Lin, and Mrs. Vicky Addun, wife of SBDMC COO Roland Addun.

The party ended with the raffle draw for the employees.

# SBDMC CHRISTMAS PARTY 15
